**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

We are customers of the Tega Cay Water Service system and object to the proposed exorbitant rate increase.

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

We are protesting the current rate increase because TCWS has been awarded rate increases in the recent past with promises to better maintain their existing system. We should not have to pay for something that has already been paid for, without the significant improvement as promised.

Seeing as TCWS has a monopoly position for water services, this rate increase is also unjust, as we have no alternative provider.

**3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \***

We plan to attend the hearing but will not offer sworn testimony.
